

Civil Engineering and Development Department
Post-Secondary Student Summer Internship Programme and Vacation Training Scheme 2022

General Requirements:

- (1) Applicants should be currently enrolled in **full-time** courses of post-secondary institutions **locally** or **overseas**.
- (2) Applicants' subjects of study for each post are specified (if any) below.
- (3) Applicants should be fluent in both Cantonese and English.
- (4) Applicants should produce transcripts issued by the appropriate authority of their post-secondary institutions certifying their academic status in the institutions; and relevant certificates showing the results of English and Chinese languages in public examinations.

Allowance:	HK\$10,500 per month
Terms of Engagement:	Successful applicants will be engaged under non-civil service appointment terms.
How to Apply:	<p>(1) Completed application forms with copies of all academic transcripts at post-secondary institutions and relevant certificates such as certificates of the Hong Kong Diploma of Secondary Education Examination, the Hong Kong Certificate of Education Examination, the Hong Kong Advanced Level Examination and other public language examinations (e.g. TOEFL, IELTS, GCE and GCSE etc.) showing the results achieved in English and Chinese languages in such examinations, should be forwarded to the following address on or before the closing date of application. Please specify on the envelope 'Application for Summer Intern'. If candidates fail to provide the required documents as requested by 13 May 2022, their applications will not be considered.</p> <p>(2) In view of the time required in overseas mailing, overseas applicants are advised to e-mail their completed application forms with the required supporting documents to appt3@cedd.gov.hk.</p> <p>(3) Each applicant should at most apply for ONE post. Otherwise, the applicant will not be considered.</p> <p>(4) Applications that are incomplete, late or without photocopies of academic transcripts and relevant certificates will also not be considered.</p> <p>(5) To facilitate communication, applicants are reminded to provide their e-mail addresses and contact telephone numbers on their application forms.</p> <p>(6) Selection interviews are not required and successful applicants will be notified separately. Those who have not received any notification from the Civil Engineering and Development Department by 1 July 2022 may assume their applications are unsuccessful.</p>
Closing Date of	6 May 2022

Application:	
General Notes:	<p>(a) Candidates must be permanent residents of the Hong Kong Special Administrative Region at the time of appointment.</p> <p>(b) As an Equal Opportunities Employer, the Government is committed to eliminating discrimination in employment. The vacancy advertised is open to all applicants meeting the basic entry requirement irrespective of their disability, sex, marital status, pregnancy, age, family status, sexual orientation and race.</p> <p>(c) Non-civil service vacancies are not posts on the civil service establishment. Candidates appointed are not on civil service terms of appointment and conditions of service. Candidates appointed are not civil servants and will not be eligible for posting, promotion or transfer to any posts in the Civil Service.</p> <p>(d) The entry pay, terms of appointment and conditions of service to be offered are subject to the provisions prevailing at the time the offer of appointment is made.</p> <p>(e) Holders of academic qualifications other than those obtained from Hong Kong institutions/Hong Kong Examinations and Assessment Authority may also apply but their qualifications will be subject to assessments on equivalence with the required entry qualifications. They should submit copies of all the required documents by mail to the enquiry address indicated.</p> <p>(f) Please note that all underpaid or unpaid mail items will not be delivered to this Department and will be returned to the sender (if a return address is provided) or disposed of in accordance with laid down procedures of the Hongkong Post. It is therefore important that you affix sufficient postage to mail items addressed to this Department to avoid any possible non-delivery.</p>
